Scan and Submission Instructions

- After scanning all pages, make Black & White, Done, Save
- Rename to student id (example, 12345678.pdf)
- Share to Email (email yourself, upload attached PDF via link above)

iPhone

- Open built-in Notes app
- Create new note, click Camera icon
- Choose Scan Document, choose Keep Scan to add pages

Android

- Download a scan-to-PDF camera app (I like CamScanner but any would do, share experiences)
